

Take Away a Valuable Idea

Take next week's lesson plans and increase the level of rigor in your activities. Try to include at least one personally or emotionally challenging problem, discussion, or text, one opportunity for open-ended answers that will differ with individual perspectives, and one piece of complex content-related material that will encourage higher level thinking.

Lesson Plans for the Week:	
<i>Ways to Increase Rigor</i>	
Personally or emotionally challenging problem, discussion, or text	
Opportunity for open-ended response that includes individual perspectives	
Complex material that encourages higher level thinking	
Other ways to increase rigor
